ABOUT

An idea only counts once it stands on real ground.

I design architecture and interiors that begin as an original idea and end as a built place. Concepts that surprise, details that work on site. Since 2019 I have worked freelance and across three studios, project by project: the SABIC and stc headquarters in Riyadh at ZFP, NEOM public buildings and corporate offices for Jotun, HB Fuller and BMW at Cosmos, and coastal and residential developments for SODIC, Orascom, Misr Italia and Travco at Innovation. I lead inside large teams and carry projects myself when needed, from idea to Revit drawing set.

2026 — now	**Mid-senior Design Architect** · Innovation Design Studio Concepts, 3D models and visuals for residential developments by SODIC, Orascom, Misr Italia and Travco.
2025	**Mid-senior Design Architect & Interior Designer** · Cosmos Studio Fifth Square, Chery, NOATUM, Linah Farms and Mazeej, through to Revit (BIM) packages.
2024	**Design Architect & Interior Designer** · ZFP · Zuhair Fayez Partnership Headquarters interiors for SABIC and STC in Riyadh, materials and FF&E sourcing.
2020 — 2023	**Design Architect & Interior Designer** · Cosmos Studio BIM for NEOM public service buildings; interiors for Sphinx, HB Fuller, Jotun and Tech Park.
2014 — 2019	**B.Sc. Architectural Engineering** · Future University in Egypt Graduation project grade A–.
