EDUCATION
B.Sc. Architectural Engineering, FUE (2014–2019)

PROFILE

Architect and interior designer with seven years across Egypt and the Gulf. I design luxury homes, coastal developments and corporate headquarters, and carry them through approval to site; most are built or under construction. I have led teams of up to five, including the architectural BIM package for NEOM's Misk Schools. Selected work for NEOM, SABIC, STC, SODIC, Orascom and Misr Italia.

CORE STRENGTHS

Coastal & Luxury Residential
Ras El Hekma, Almaza Bay, El Gouna; SODIC, Orascom, Misr Italia.

Masterplans & Communities
A community for ~7,000 residents; a 19-zone waterfront district in Oman.

Corporate HQs & Interiors
SABIC, STC, Jotun, H.B. Fuller, BMW; three office interiors built.

Design to Construction
Led a team of five on a NEOM BIM package (LOD 300); code review and consultant coordination.

PROFESSIONAL EXPERIENCE

2026 — now
Mid-senior Design Architect
Innovation Design Studio, Cairo

- **Travco West Island, Almaza Bay:** sole designer of a four-unit chalet prototype, from an empty plot to client approval — plans, elevations and 3D, oriented to the north wind and lagoon views. Under construction.
- **SODIC East Vale, MADA City:** designed the premium-home prototype of two stacked units, separating private quarters from reception and living. Under construction.
- **Staff Housing Community:** led a team of three on a masterplan proposal for ~7,000 residents — clustered courtyards, a town-wide pedestrian network and two repeatable prototypes in a Nubian-inspired language.
- **SODIC Ogami & Orascom O West:** massing and façade of new prototypes within each scheme's established language; client presentations. Ogami under construction.
- **Misr Italia Hilltop, Ras El Hekma:** sole visualiser for three apartment prototypes; refined materials, details and façade along the way. Approved; under construction.
- Introduced AI-assisted post-production into the studio's visualisation workflow.

2025
Mid-senior Design Architect & Interior Designer
Cosmos Studio, Cairo · rejoined

- **Sallan Creek (DHIFAF), Oman:** turned a hand-sketched masterplan into an accurate 19-zone waterfront plan; district-wide 3D model, aerial renders and client presentation.
- **Chery Showroom, Linah Farms & NOATUM Terminal:** concept through design development, with coordinated Revit BIM packages across the engineering disciplines; visuals, animation and client presentations.
- **Fifth Square:** canopy design; modelling and rendering of the whole complex.
- **Mazeej Hotel & Housing Complex:** design review and redesign for building-code compliance.

2024
Design Architect & Interior Designer
ZFP – Zuhair Fayez Partnership, Riyadh

- **STC HQ Office Tower:** originated and modelled the executive-floor concept that became the base for the tower's interior design, turning its curved outline into places and points of interest. Concept stage.
- **SABIC HQ Renovation:** led the interior concept for the lobby, corridors, training rooms and amenities, turning an existing slab protrusion into the atrium's signature planters. Under construction.
- Material and FF&E strategy, site visits, vendor coordination and worldwide furniture sourcing.

2020 — 2023
Design Architect & Interior Designer
Cosmos Studio, Concept Design Dept.

- **NEOM, Misk Schools:** led a team of five delivering the complete architectural BIM package (LOD 300) for two schools; consultant coordination with structure, MEP, the client and NEOM standards; code-compliance review. Delivered to deadline.
- **NEOM Oxagon, Public Service Buildings:** 3D models, renders and client presentations; design review, code-compliance corrections and consultant coordination.
- **Sharm El Sheikh Tower Hotel & Zamalek Club:** design, modelling, rendering and animation.
- **H.B. Fuller, Sphinx & Jotun offices — built:** interiors with the team from concept through design development; site visits and construction-stage support to completion. On H.B. Fuller I was the client's direct contact, coordinated consultants and selected materials and fixtures with the client; on Sphinx I led material selection. Animation films for Jotun and Sphinx.
- **Tech Park & BMW Showroom:** workplace and retail interiors with the team, from concept through design development.
- **BIM delivery — Dry Port, Estadat City Club, SIAC & One 90:** Revit models and design-development drawing sets.
- **Um Qasr Logistic City:** 3D models and animated films for client and promotional campaigns.

2019 — now
Independent Practice
Selected commissions

- **Suits Workspaces & Modern Residence:** sole designer, from concept to full schematic package; site visits and consultant coordination.
- High-end residential interiors, luxury villas and boutique workplaces for private clients across Egypt, Saudi Arabia and India — design, client presentations and site visits.
