ABOUT · ARCHITECT & INTERIOR DESIGNER · CAIRO

An idea only counts once it stands on real ground.

I design architecture and interiors that begin as an original idea and end as a built place. Concepts that surprise, details that work on site: homes on Egypt's coast, luxury residences inland, and corporate headquarters from Cairo to Riyadh. Since 2019 I have worked across three studios and my own selected commissions. I have led teams of up to five, and every project in these pages names my role.

2026 —	Mid-senior Design Architect	Innovation Design Studio, Cairo
2025	Mid-senior Design Architect & Interior Designer	Cosmos Studio, Cairo
2024	Design Architect & Interior Designer	ZFP · Zuhair Fayez Partnership, Riyadh
2020 — 23	Design Architect & Interior Designer	Cosmos Studio, Cairo
2019 —	Independent practice	Selected commissions

01 · BRIEF

Sole designer of the chalet and townhome prototypes, from an empty plot to approval

A coastal chalet and a coastal town home on the lagoon at Almaza Bay.

01	Brief: a premier coastal destination with maximum sea views, hospitality-level living and respect for the landscape
02	Idea: orient for wind and water
03	Plan: from an empty plot to four units
04	Approved; under construction

SCOPE
Design · Modelling · Rendering

01
Travco West Island

COASTAL HARMONY

A CONTEMPORARY RETREAT ROOTED IN NATURE

CREATIVE CONCEPT

Rooted. Refined. Restful.

The concept is born from the dialogue between nature, light, and shelter.

Inspired by the calm rhythm of the coast and the purity of natural materials, the architecture offers a refined retreat that fosters relaxation and connection.

Clean geometry, textured surfaces, and lush landscapes come together to create a sense of belonging and timeless tranquility.

IN HARMONY WITH NATURE

Designed to blend seamlessly with the landscape and climate.

SIMPLICITY WITH PURPOSE

Clean lines and functional spaces enhance everyday living.

NATURAL MATERIALS

Honest textures and earthy tones create warmth and timelessness.

OPEN & CONNECTED EXPERIENCE

Framing views and fostering a strong indoor-outdoor flow.

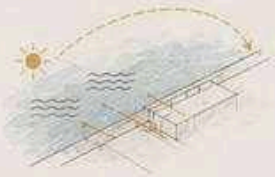

ARCHITECTURAL REFERENCES

NATURAL STONE · WARM PLASTER · WOOD ACCENTS · GREEN METAL · NATIVE PLANTS

CONCEPT DIAGRAMS

1. CONTEXT & ORIENTATION

Building oriented to capture views, sunlight and sea breeze while ensuring privacy.

2. MASSING & FORM

Simple volumes carved to create terraces, shade and human scale.

3. CONNECTION TO NATURE

Integrated landscaping and pergolas blur the boundary between inside and outside.

4. ZONING & FLOW

Spaces organized for comfort, flow and a seamless coastal living experience.

DESIGN PRINCIPLES

LIGHT & SHADOW

Play of light through pergolas and openings enhances the spatial experience.

TEXTURE & MATERIALITY

Natural materials bring depth, warmth and a sense of authenticity.

INDOOR - OUTDOOR LIVING

Generous openings and terraces encourage a relaxed coastal lifestyle.

PRIVACY & TRANQUILITY

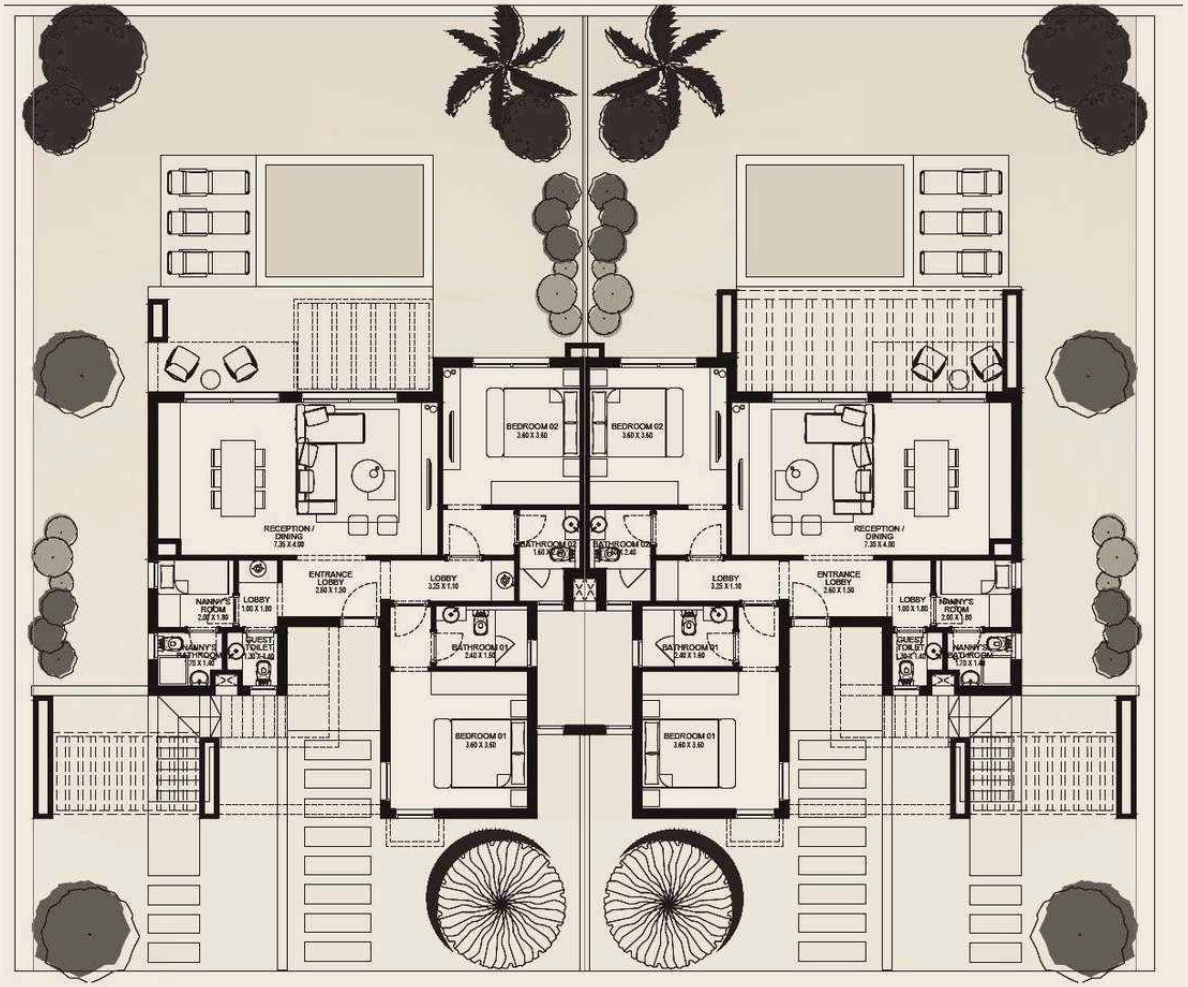

Thoughtful layout ensures privacy while maintaining openness and views.

SERENE HORIZONS

CONTEMPORARY LIVING, ROOTED IN NATURE

CONCEPT ESSENCE

**BALANCED.
ROOTED.
CONNECTED.**

The design is inspired by the quiet poetry of nature and the clarity of modern living.

It seeks to create a retreat where architecture and landscape exist in harmony—each enhancing the other.

Spaces breathe, light flows, and materials age beautifully with time.

A home that feels like a natural extension of you.

IN TUNE WITH NATURE

Design that responds to light, views and the surrounding environment.

EFFORTLESS LIVING

Simple, intuitive spaces that support everyday rituals and relaxed living.

HONEST MATERIALITY

Natural textures and finishes chosen for their beauty, durability and authenticity.

CONNECTED EXPERIENCE

Seamless flow between inside and outside for a deeper sense of connection.

ARCHITECTURAL REFERENCES

MATERIAL PALETTE

TERRACOTTA PLASTER · RIBBED CONCRETE · NATURAL STONE · WARM WOOD · GLASS & METAL · NATIVE PLANTS

DESIGN CONCEPT DIAGRAMS

1. ORIENTED TO NATURE

Positioned to capture views, natural light and prevailing breezes while ensuring privacy.

2. FORMS THAT BREATHE

Soft edges and layered volumes create shade, terraces and a sense of openness.

3. BLURRING BOUNDARIES

Large openings, pergolas and terraces dissolve the line between indoors and outdoors.

4. SPACES WITH PURPOSE

Zoned for privacy and connection—quiet retreats balanced with open social spaces.

DESIGN PRINCIPLES

LIGHT & SHADOW

Pergolas and screens create beautiful patterns and comfortable microclimates.

TEXTURE & DEPTH

Layered materials add tactility, depth and a sense of timeless elegance.

INDOOR-OUTDOOR FLOW

Generous openings encourage a natural extension of living spaces.

NATURAL CALM

A neutral, earthy palette promotes calm, warmth and a connection to the landscape.

TIMELESS DESIGN

Clean lines and enduring materials ensure the home ages gracefully for generations.

04 · BRIEF

Project lead, team of 3 · masterplan for ~7,000 residents

A walkable town for nearly 7,000 resort staff: clustered courtyards, two repeatable prototypes and a refined Nubian language of arches, shade and earth.

01	Tension: density vs quality of life vs budget
02	Courtyard clusters on a town-wide pedestrian network
03	Two repeatable prototypes for cost and speed
04	Nubian arches, shade, earth

SCOPE
Design · Modelling · Rendering

01 APPROACH · FROM THE NUBIAN ARCH TO THE HOUSING FACADE

02 INSPIRATION · VERNACULAR ARCHES AND CARVED MASSES

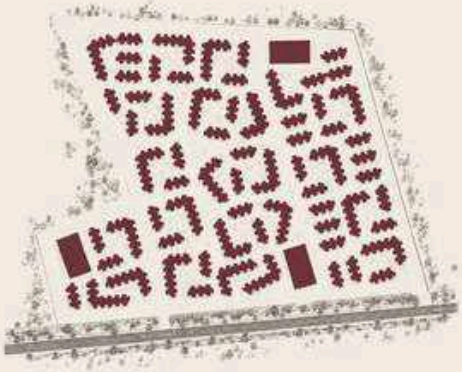

03 DETAIL · PERGOLAS, RECESSES AND SHADE

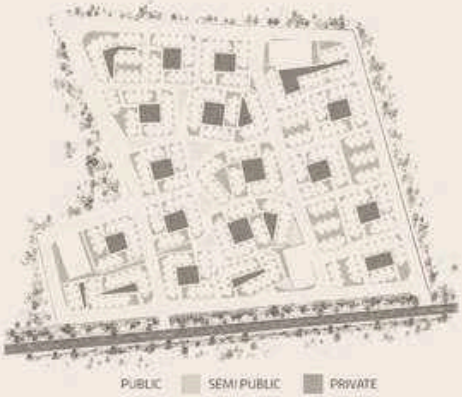

04 ELEMENTS · TERRACES, OPENINGS, SCREENING

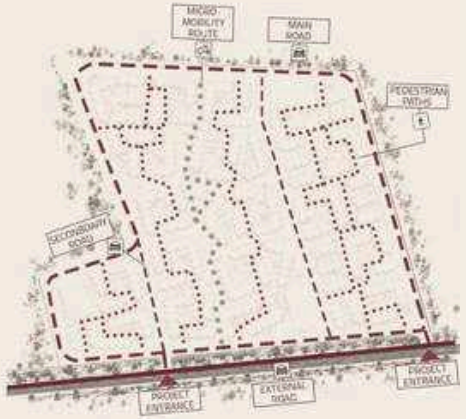

01 MASTERPLAN

02 SOLID & VOID

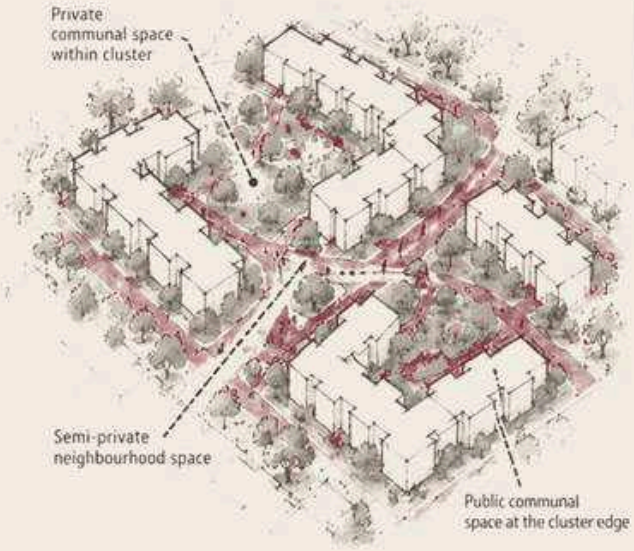

03 OPEN SPACES

04 ACCESSIBILITY

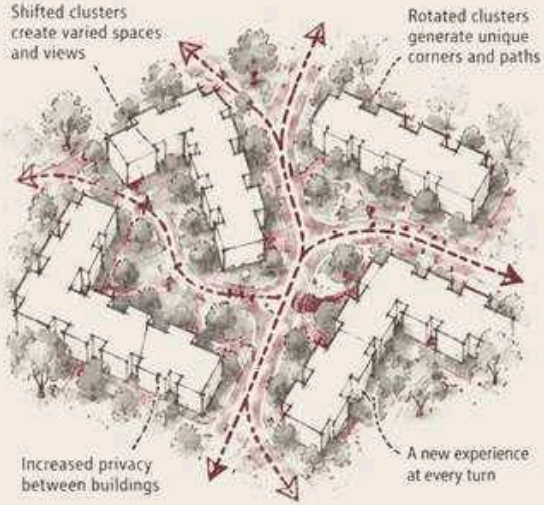

01 CLUSTERED COMMUNITY SPACES

CLUSTERS CREATE ENCLOSED COMMUNITY SPACES, GENERATING BOTH PRIVATE & PUBLIC COMMUNAL SPACES.

02 ROTATED & SHIFTED CLUSTERS

CLUSTERS ARE ROTATED AND SHIFTED TO CREATE EXCEPTIONAL PEDESTRIAN PATHS BETWEEN THEM, GIVING A NEW EXPERIENCE AT EVERY TURN & CORNER WHILE

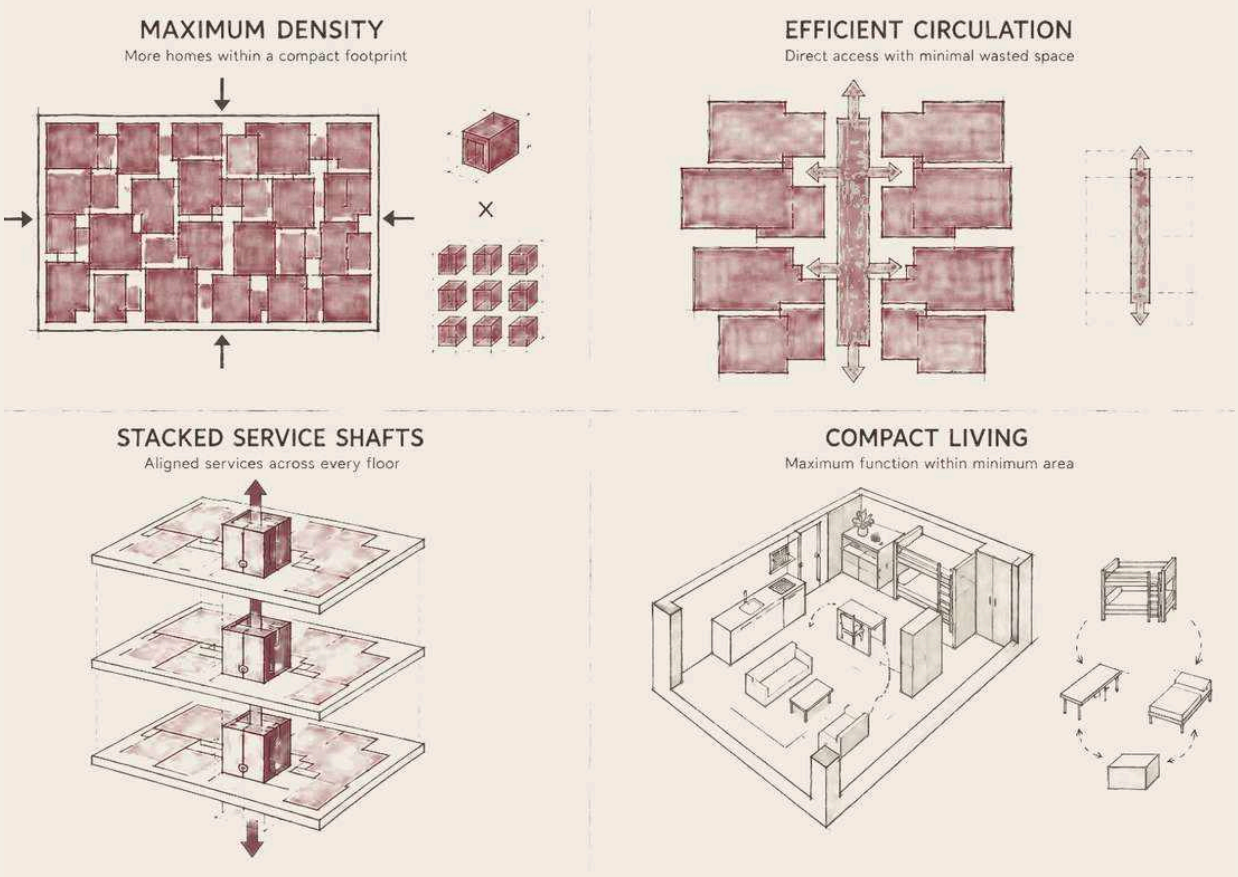

03 CONNECTED PEDESTRIAN NETWORK

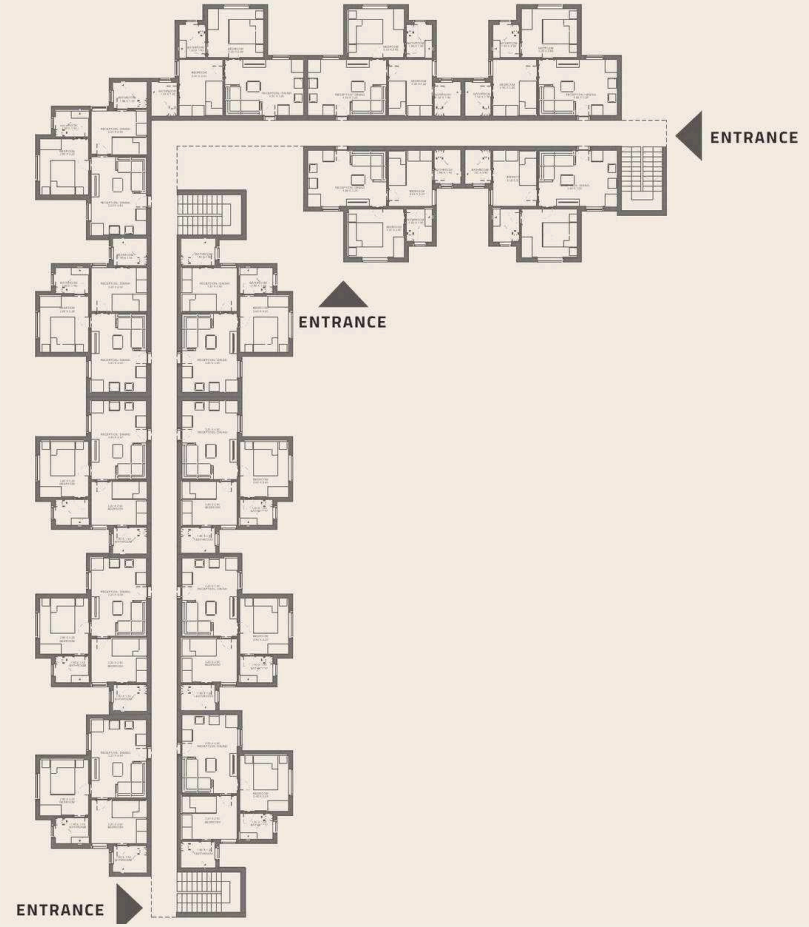

A LARGE PEDESTRIAN NETWORK CONNECTS THE WHOLE PROJECT, LINKING ALL CLUSTERS, OPEN SPACES & KEY AMENITIES.

05 CONCEPT · CLUSTERS, ROTATION, PEDESTRIAN NETWORK

SCOPE

Design · Modelling · Rendering

10
NEOM Oxagon Public Service Buildings

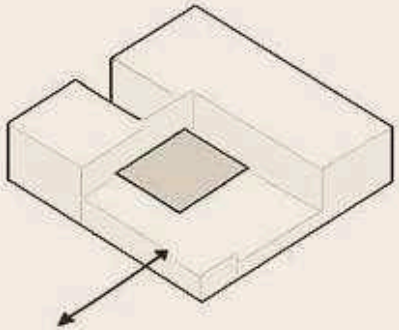

Cubic layout variety yet simplicity

The design utilioe the I fure four connected cubes to create varying spatial heights corresponding to their inner funclions, a simple and a sample spacial layout.

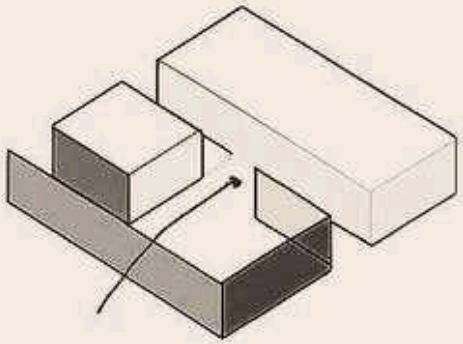

Providing a visual connection to green spaces

Positioned the central courtyard at the heart of the building to gies greanerous from most public arais within the building.

Subdivision of public and utility spaces

Separating the building to a utility section ensures a smooth & efficient functional flow.

Facades: Contemporary yet contextual

Large panels of perforated screens are relevant local middle-eastern architecture white creating a locally harmonious yet modern appearance.
