ABOUT · ARCHITECT & INTERIOR DESIGNER · CAIRO

An idea only counts once it stands on real ground.

I design architecture and interiors that begin as an original idea and end as a built place. Concepts that surprise, details that work on site: homes on Egypt's coast, luxury residences inland, and corporate headquarters from Cairo to Riyadh. Since 2019 I have worked across three studios and my own selected commissions. I have led teams of up to five, and every project in these pages names my role.

SERENE HORIZONS

CONTEMPORARY LIVING, ROOTED IN NATURE

CONCEPT ESSENCE

**BALANCED.
ROOTED.
CONNECTED.**

The design is inspired by the quiet poetry of nature and the clarity of modern living.

It seeks to create a retreat where architecture and landscape exist in harmony—each enhancing the other.

Spaces breathe, light flows, and materials age beautifully with time.

A home that feels like a natural extension of you.

IN TUNE WITH NATURE

Design that responds to light, views and the surrounding environment.

EFFORTLESS LIVING

Simple, intuitive spaces that support everyday rituals and relaxed living.

HONEST MATERIALITY

Natural textures and finishes chosen for their beauty, durability and authenticity.

CONNECTED EXPERIENCE

Seamless flow between inside and outside for a deeper sense of connection.

ARCHITECTURAL REFERENCES

MATERIAL PALETTE

TERRACOTTA PLASTER · RIBBED CONCRETE · NATURAL STONE · WARM WOOD · GLASS & METAL · NATIVE PLANTS

DESIGN CONCEPT DIAGRAMS

1. ORIENTED TO NATURE

Positioned to capture views, natural light and prevailing breezes while ensuring privacy.

2. FORMS THAT BREATHE

Soft edges and layered volumes create shade, terraces and a sense of openness.

3. BLURRING BOUNDARIES

Large openings, pergolas and terraces dissolve the line between indoors and outdoors.

4. SPACES WITH PURPOSE

Zoned for privacy and connection—quiet retreats balanced with open social spaces.

DESIGN PRINCIPLES

LIGHT & SHADOW

Pergolas and screens create beautiful patterns and comfortable microclimates.

TEXTURE & DEPTH

Layered materials add tactility, depth and a sense of timeless elegance.

INDOOR-OUTDOOR FLOW

Generous openings encourage a natural extension of living spaces.

NATURAL CALM

A neutral, earthy palette promotes calm, warmth and a connection to the landscape.

TIMELESS DESIGN

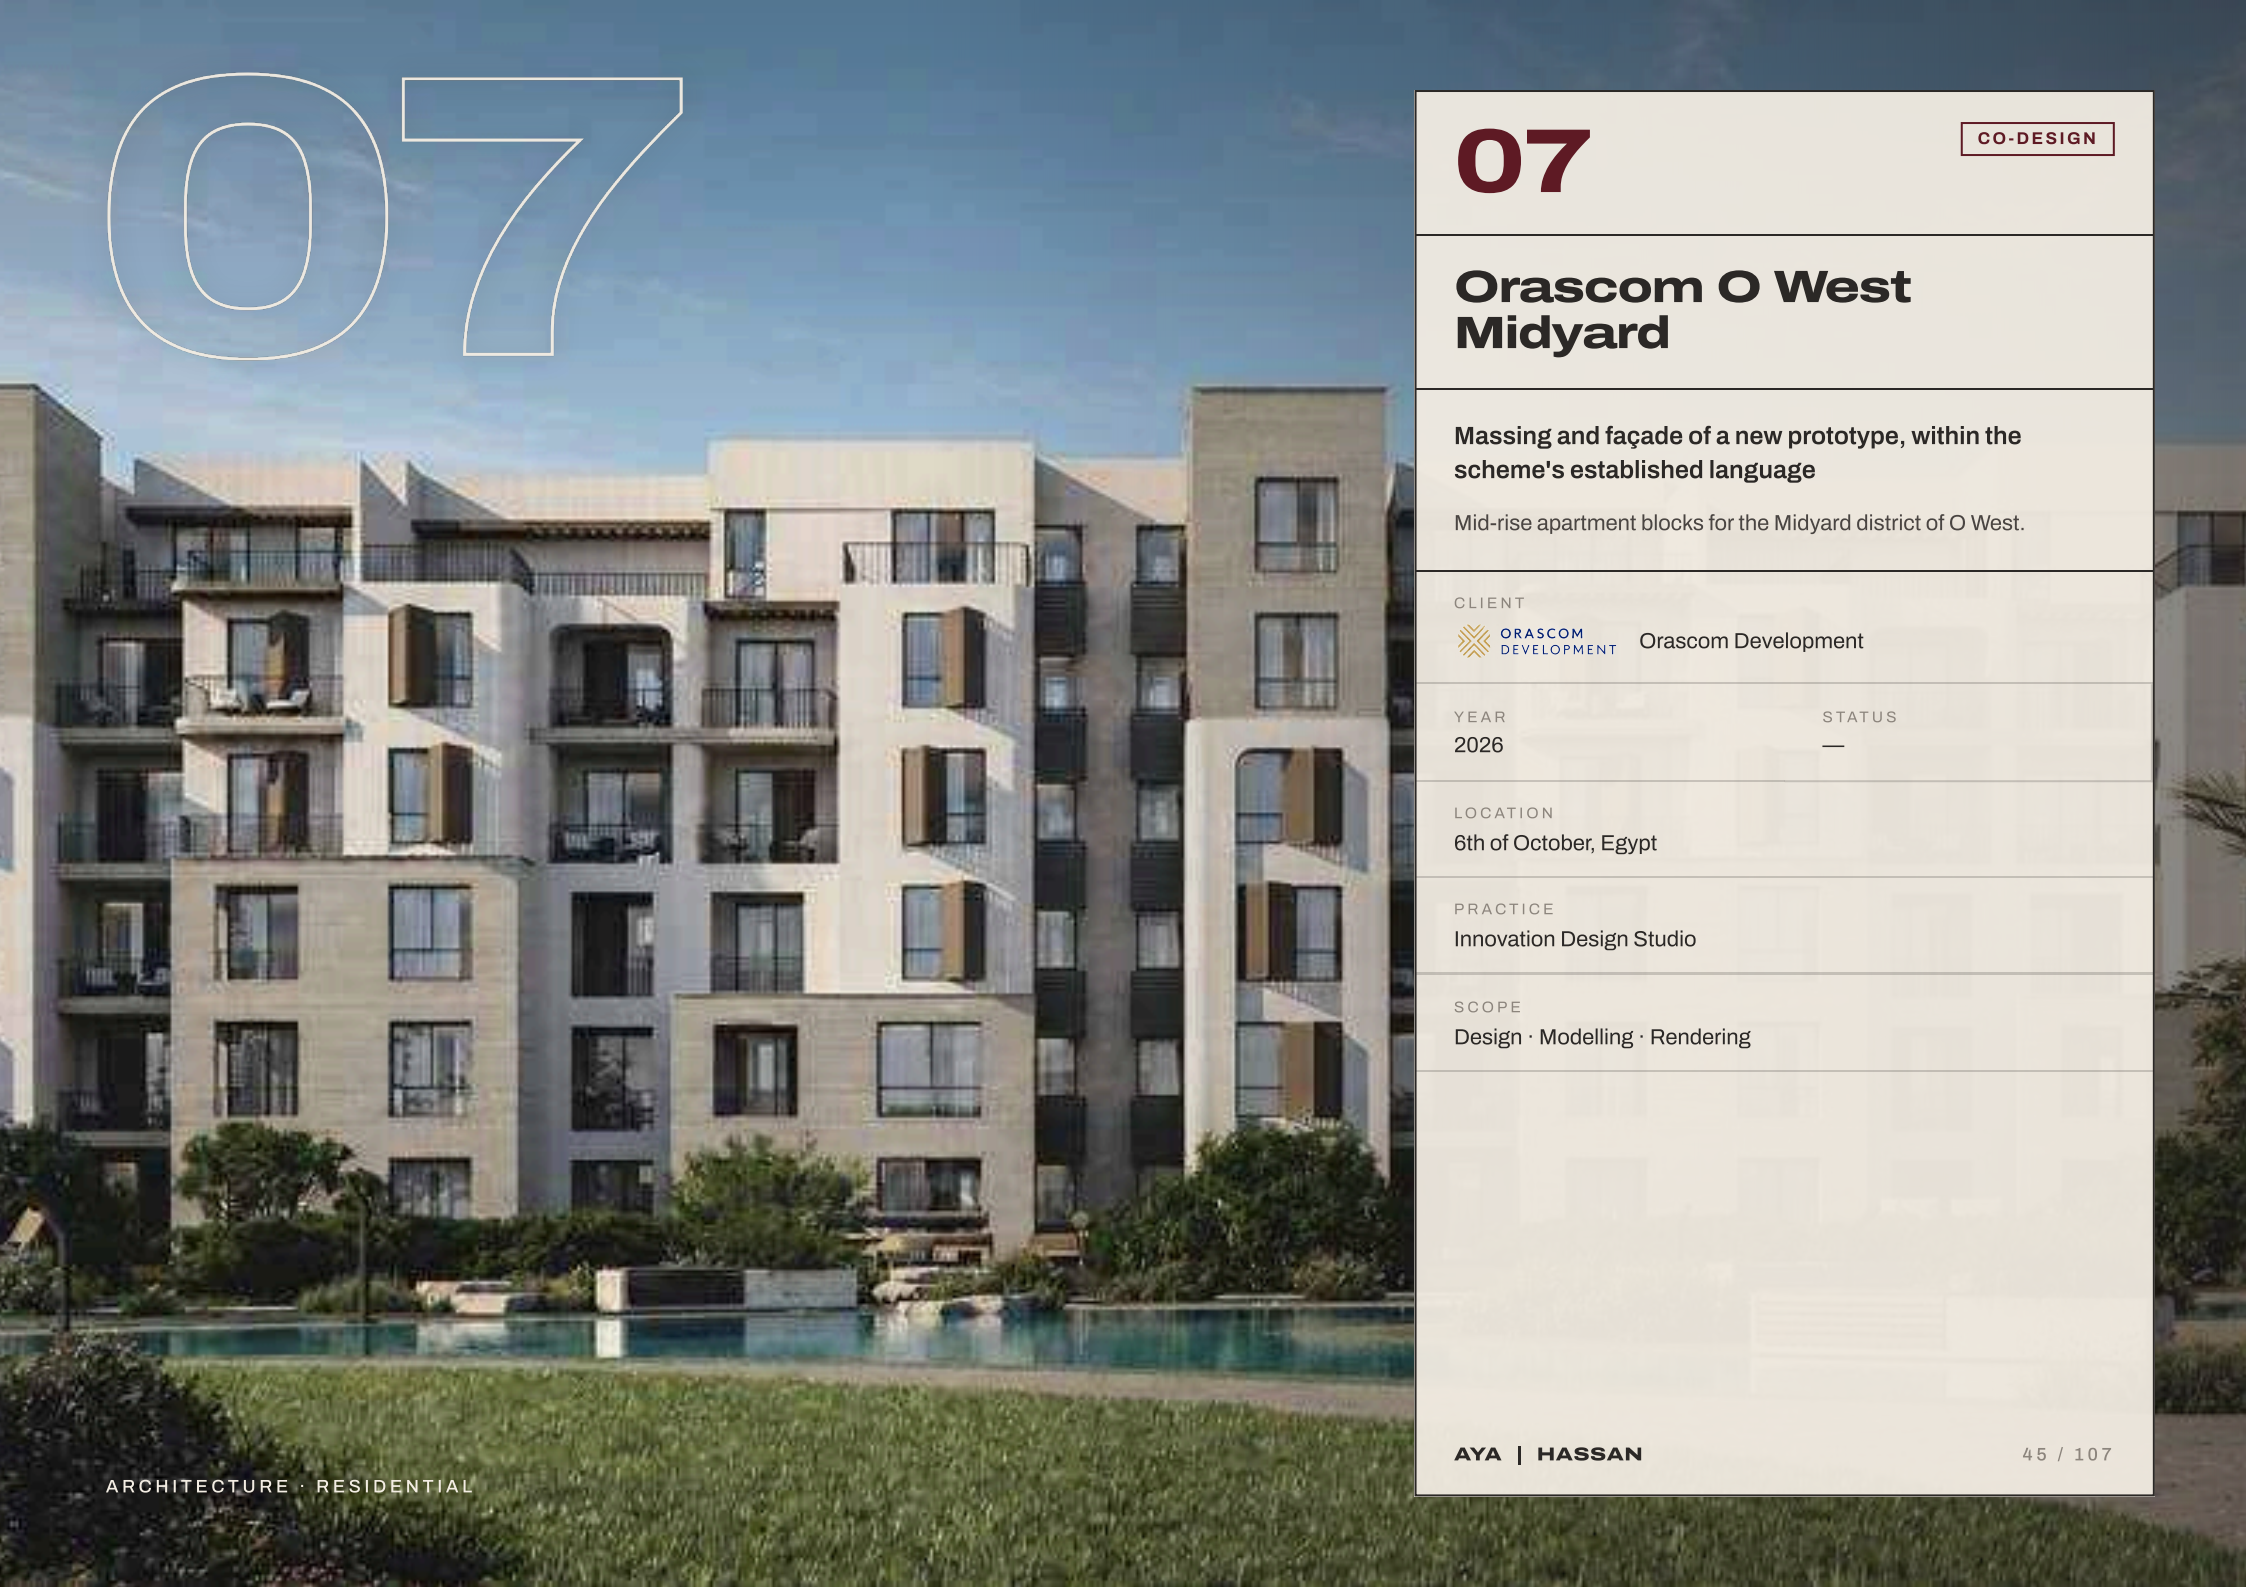

Clean lines and enduring materials ensure the home ages gracefully for generations.
